

How to Join?

Joining a Young Farmers' Club could be the gateway to a whole world of new opportunities. From meeting friends you will keep for life, to discovering a skill you never even knew you had. There is so much more to Young Farmers than wellies and tractors!

If you're aged between 10 and 28, love rural life and want to get involved in something new, then Young Farmers is for you!

From 1st September 2022, joining or renewing your YFC membership is all done online.

Please contact your local Club or drop a message to countyoffice@northumberlandyfc.co.uk
